VILLAGE OF MUNDELEIN

PUBLIC WORKS
COMMITTEE REPORT

To: Mayor Lentz and Board of Trustees

From: Adam M. Boeche, P.E., CFM, Director of Public Works and Engineering

For Village Board Meeting of: February 10, 2014

Subject: Well #8 Electric Rehabilitation

Summary:
At the January 13, 2014 meeting, the Board authorized a request for proposal solicitation regarding electrical work needed at Well #8. This work includes replacement of the motor starter and the associated cabling, panel board replacement, and electrical disconnections. The Village received two proposals on the project, with Umbdenstock Electric submitting the lowest responsive proposal at $39,100. The other proposal, Homestead Electric, totaled $57,900. The FY14 Budget includes $50,000 for this project.

Staff has worked with Umbdenstock on numerous occasions for various electrical projects on Village facilities, including Water facilities. Staff is comfortable with this company's level of expertise and recommends award to Umbdenstock.

Recommendation:
(1) Motion to approve a resolution authorizing the execution of a Contract Between the Village of Mundelein and Umbdenstock Electric, Inc. for electric rehabilitation of Well #8.

(2) Motion to authorize a purchase order for an amount not to exceed $39,100.00 for electrical rehabilitation at Well #8 to Umbdenstock Electric, Inc.
