

The major events of Mundelein's 100th anniversary celebration are complete. The final event, held October 17th at the University of Saint Mary of the Lake, featuring an organ concert, banquet and the unveiling of the fully restored Old No. 1, was a huge success. Old No. 1 was donated to the Village by Cardinal Mundelein and originally dedicated at the University of Saint Mary of the Lake on July 18, 1925. Many local businesses contributed to the success of the Centennial celebration. Thanks to all of you who helped with sponsorships, contributed a silent auction item, donated to the restoration of Old No. 1, or provided in-kind services. We could not have done it without you.
