

REQUIREMENTS FOR SUBMITTING YOUR TEMPORARY EVENT APPLICATION

1. Please answer **ALL** questions. Review your application to make certain you have not missed anything.
2. Incomplete applications will delay the process time.
3. Print legibly so that we may process your application in a timely manner.
4. Make sure you **sign and date** the application on page 4.
5. If you are using a commissary for preparation or storage, include the **signed** commissary agreement on page 11.
6. If you are a licensed facility outside of Lake County include a copy of your license/permit and your most recent health inspection report.
7. Make sure your payment is included with your application.

PLEASE NOTE:

- Permit fees are non-refundable
- Please allow 3-5 days for mail delivery. Applications must be **received** at least 7 days prior to the event to avoid being charged a late fee.
- Applications that are received with no payment **will not** be processed.
- **If you are applying for a reduced permit fee by having a certified manager please have that manager's certificate on site. If there is no certified manager on site you will be charged the higher fee.**
- If you will have multiple stands at an event ***and*** are applying for the reduced permit fees by having a certified manager you must have a certified manager at **each** stand. One certified manager cannot work at multiple stands.
- If you are using water from a private water well there must be a satisfactory water sample taken within the last 12 months.
- You will receive application approval after we review your paperwork.
- You will receive a checklist of required items needed to operate based on your application

1-14 day permit without a certified manager/trained operator	\$141
LATE FEE	
Late fee if application is not received at least 7 days prior to event	\$34

Make check payable to Lake County Health Department and mail to 500 W. Winchester Rd., Suite 102, Libertyville, IL 60048. You may also fax your application to 847-984-5622. To pay with a credit card, please complete the payment form on page 7 and return with your application.

Farmers Market Food Product Sampling Handler Certificate Training

The Food Handling Regulation Enforcement Act was amended to include Food Product Sampling at Farmers Markets and the Illinois Food Service Sanitation Code now includes Subpart N, 750.4300 Food Product Sampling Handler Certificate for Farmers Markets.

The Farmers Market Food Product Sampling Handler Certificate training is now available on I-TRAIN. The training course is free and can be accessed here: <https://i.train.org> Course number 1061218 (*Note: effective upon implementation of the Division's new technology, this process will change due to incorporation of the training completion, documentation submission and certificate issuance in the new system*).

Any vendor at a farmers market that would like to sample their product (fruits, vegetables, baked goods, meat, etc.) can do so without a separate permit from the local health department, as long as they have a valid Illinois Farmers Market Food Product Sampling Handler Certificate. This certificate can be used throughout the state and is valid for three (3) years from date of issuance.

The certificate looks like this and shall be prominently displayed by the vendor at the point of sale:

The Farmers Market Food Product Sampling Handler Certificate is only issued by the Department once the required documentation has been received:

1. If the sampler possesses a valid Illinois Food Service Sanitation Manager Certification (FSSMC) they must:
 - a. Submit a completed Farmers Market Food Product Sampling Handler Certificate application; and
 - b. Copy of valid FSSMC; and
 - c. \$10.00 application fee submitted with required documentation to address provided on application.
2. If the sampler does not possess a valid IL FSSMC, they must:
 - a. Submit a completed Farmers Market Food Product Sampling Handler Certificate application; and
 - b. Evidence of successful completion of an ANSI accredited food handler training course; and
 - c. Evidence of successful completion of Department Farmers Market Food Product Sampling Handler training; and
 - d. \$40.00 application fee submitted with required documentation to address provided on application.

If the sampler shows or posts only a valid IL FSSMC, food handler training certificate or Farmers Market Food Product Sampling Handler training course completion certificate, they are not in compliance and should not be sampling their product without a permit to do so from the LHD. Only a valid Farmers Market Food Product Sampling Handler Certificate (as shown above) is acceptable for sampling their food product at a farmers market without a permit from the LHD.

Only samples can be offered with this certificate. So, for example, if the vendor is cooking and sampling pork chops, he/she could not then sell pork chop sandwiches with only the Farmers Market Food Product Sampling Handler Certificate, but would need a temporary permit from the LHD in order to sell pork chop sandwiches.

Any questions from the public should be directed to dph.food@illinois.gov

In order to receive a reduced fee for Category II (medium risk) or III (high risk) Temporary Food Service Event, LCHD accepts any of the following trainings.

- ① **LCHD Temporary Food Service Event Training Class - (1) year expiration;**
- ② **ANSI Food Handler Training Programs – (3) year expiration; or**
- ③ **IDPH Food Service Sanitation Manager Certification (FSSMC) – (5) year expiration**

- ① The **LCHD Temporary Food Service Event Training Class** covers food safety, sanitation and code requirements that are essential to conducting a safe and sanitary temporary food service event in Lake County. This class provides temporary food service event vendors/workers with a better understanding of how handling food correctly prevents foodborne illness. Although the class is aimed to educate not-for-profit temporary event vendors who do not have an IDPH certified food service sanitation manager or trained food handlers, any vendor may attend. The Temporary Food Service Event Training is valid for one (1) year from the date of training.

2017 LCHD Temporary Food Service Event Classes

Central Permit Facility
500 W. Winchester Road Libertyville, IL
Follow the signs to the Permit Center

③ **IDPH (Illinois Department of Public Health) Food Service Sanitation Manager Certification**

What is a food service sanitation manager certification?

Complete an Illinois Department of Public Health (IDPH) approved 8-hour FSSMC course, successfully pass a state examination and pay a \$35 certificate fee to the IDPH.

Where are IDPH approved courses listed?

Refer to the list of IDPH approved food service sanitation certification providers for contact and course information. **Also, visit the IDPH website at <http://public.dph.illinois.gov/fssmccourses/> for a listing of FSSMC courses.**

What is the option for renewing a valid Illinois FSSMC Certificate?

Attend an approved 8 hour FSSMC course and pass the exam every five (5) years. This must be completed prior to the certificate expiration date.

Will IDPH send a renewal application?

A renewal notice will only be sent if IDPH has a current address for the person. If the address is up-to-date, they will receive a letter explaining the new requirements one year in advance and a renewal application three months before their expiration date. If the certified person has not received an application, please contact an Environmental Health Practitioner or by calling IDPH at 217-785-2439.

Food Service Sanitation Manager Certification (FSSMC) Courses

<http://public.dph.illinois.gov/fssmccourses/>

The Illinois Department of Public Health (IDPH) requires all food service establishments to have a manager/supervisor certified in food service sanitation. IDPH approved courses are offered by the companies listed below in various locations throughout the northern portion of Illinois:

This Commissary Agreement is valid for this calendar year only

Checklist for Temporary Food Service Events

The following is a checklist to assist you in conducting a self-inspection of your temporary event.

The items listed represent the minimum essential equipment/supplies needed to operate.

A closed container with a hands free spigot dispensing clean, running water and bucket to catch the wastewater, hand soap and paper towels (for hand washing - minimum 20 seconds)

Four **LABELLED** containers for equipment washing:

1. Wash (W)
2. Rinse (R)
3. Sanitize (S)
4. Wiping Cloth Storage

Sufficient potable water (hoses used to obtain municipal water must be food grade)

Dishwashing soap and sanitizer (bleach, iodine, or quaternary ammonia)

Appropriate chemical test strips to test sanitizer concentrations

Metal stem thermometer accurate to $\pm 2^\circ\text{F}$ and reads 0 to 220°F

Equipment and utensils which are in good condition (no chips, pits, etc.)

Equipment and utensils that have been cleaned AND sanitized

Sufficient refrigeration to hold **cold, potentially hazardous foods at 41°F or below** (refrigeration shall be plugged in early enough so that units reach 41°F or below before storing food in them)

Hot holding devices must be provided to maintain **hot, potentially hazardous foods at 135°F or above**

Food shall be from an approved source (labeled and stored in food grade containers) and prepared in a licensed food service facility or at the event—home prepared not allowed

Sufficient (durable and easily cleanable) garbage containers (including dumpsters with lids) to hold all garbage and refuse that accumulates - must be covered when not in use or filled

Single service articles (plastic forks, plates, etc.) provided for customers

Food, utensils and food equipment stored 6" above the ground

Provide facilities to dump wastewater and/or used grease)

Provide enough utensils to avoid bare hand contact with ready-to-eat foods (e.g. gloves, deli tissues, tongs, etc.)

Food stand constructed to prevent contamination of food and facilitate cleaning of the food preparation area

All toxic chemicals stored in a separate area away from food and food prep surfaces

Effective hair restraints provided for all employees handling food
