- 9. All competitors must eat their food in a safe fashion, but in any style, with or without any condiments and with or without any beverage, bottle water will be supplied to each contestant.**

**10. All chicken wings are measured in fully cooked chicken bones and meat plus hot wing sauce weight. After the contest begins the contestant can add extra sauce or any condiments to their wings.**

**11. All chicken wings are measured in total weight of wing meat eaten, measured by an official contest scale in pounds and ounces by the Executive Judge and the Official Judge.**

**12. Each competitor will begin the contest with a tub containing Buffalo wings (drums and flats).**

**13. Each competitor will discard remnants of an eaten wing such as bones into the same tub/container to be weighed after the 15 minutes race. Whereas, these remnants of bones, etc., shall thus forth be know as 'debris.'**

**14. Bottled water will be given to each competitor during the 15-minute race. No napkins will be given to the competitors until after the 15 minutes competition is over.**

**15. The Executive Judge will determine at contest's end and each competitors tub will be weighed to find out the competitors meat eaten.**

**16. After the 15 minute eating contest, Line Judges will then combine competitors's remaining food and accrued debris and bring them to the weighing room for the Official Judge to weigh them on the official contest scale to determine the exact amount of wing meat eaten.**

**17. The official formula for determining the total wing meat eaten will be: Total weight of buffalo wings (meat & bones) in the tub/container given to each contestant. This weight number will be recorded on the wing-eating chart. After the 15-minute competition the tubs/containers with wings not eaten plus all debris will be weighed a second time. MINUS Total weight of remaining food and accrued debris, this will be total wing meat eaten.**

**18. After making this and all determinations, the Executive Judge will then announce and award first, second and third place finishers. Any food in a competitor's mouth at the final bell counts toward the final tally if the competitor chews and swallows that portion of the competitive chicken foodstuff. If said chicken foodstuff is taken out of mouth of the competitor at any time after the bell/buzzer that competitor will produce an immediate disqualification.**

**19. Chipmunking is allowed:** Chipmunking is when the clock is being counted down from ten to zero the competitive eater can over fill his or her mouth with chicken meat.
