

Curbside Leaf Collection

The Village's annual leaf collection program begins in October and runs (weather permitting) until the beginning of December. Please note that the leaf collection may end sooner if all leaves are collected. Residents should remember to rake leaves onto the parkway grass next to curb. **Leaves should not be raked into the roadway or cover any storm sewer inlets/catch basins.** After the leaf curbside collection has ended, the next opportunity to dispose of leaves would be via normal yard waste collection procedures which begin in Spring (April 1st).
