Mundelein Police Statue Fund

Dear Friends and Neighbors:

As Mayor of the Village of Mundelein and on behalf of the Board of Trustees, I would like to express my appreciation for Mr. Jack Forshaw's efforts in raising funds to construct a statue in front of the Police Department on Route 45.

At its July 8, 2013, Village Board meeting, the Board passed an ordinance authorizing the creation of the Mundelein Statue Committee and appointed Jack Forshaw as Chairman. Their purpose is to raise monies to complete the project which is a full-size bronze statue of a police officer holding the hands of two children. All monies raised will be administered and recorded through the Village of Mundelein Finance Department and will be used for expenses related to the purchase and installation of the statue.

The Board of Trustees and I fully support the Committee's efforts and look forward to the day that this public art is displayed and visible to all travelers on one of the busiest roads in Mundelein. This is a wonderful tribute to the Mundelein Police Department that has served the community for more than 100 years.

Sincerely,

Steve Lentz
Mayor

Mundelein Police Statue Fund

Dear Village of Mundelein Partners:

I am writing this letter as a show of support for the Police Statue Planning Committee that has been charged with raising funds to purchase a life-sized commemorative bronze statue slated to be installed at the front entrance of the Village of Mundelein Police Station on Route 45 to be viewed and enjoyed by all Mundelein residents and visitors.

The statue titled, "The Protector," features a police officer holding the hands of two children and it is intended to serve as a tribute to all whom work in law enforcement. Mundelein Mayor, Steve Lentz, has appointed Mr. Jack Forshaw as Committee Chairman.

The overall goal for this initiative is to pay tribute to the Mundelein Police Department for more than 100 years of service and serve as a visual reminder of the Village's commitment to its history and its citizens. Additionally, the Police Statue Planning Committee hopes that this project will be a catalyst for a larger interest in public art within the Village of Mundelein.

Should you have any questions, please feel free to contact to me directly at 847-968-3775 or eguenther@mundelein.org.

Thank you in advance for your support of this important community project.

Sincerely,

Eric J. Guenther
Chief of Police

OVERVIEW

Proposed Cast Bronze Statue To Serve As Tribute To Mundelein Police Officers

To pay tribute to the Mundelein Police Department's more than 100 years of service, the Village of Mundelein recently passed an ordinance authorizing the creation of the Mundelein Public Safety Statue Committee and appointed Jack Forshaw as Chairman. The committee's purpose is to raise funds to complete a police officer tribute. The project will include a life-sized cast bronze statue of a police officer holding the hands of two children.

The statue, called "The Protector," will stand nearly 6'2" tall with his hat in place, weigh approximately 600 pounds, and present a powerful image to Village residents and visitors concerning the selfless contributions made by those in public service on a daily basis. Approximate cost of the project is \$60,000.

"This is a wonderful tribute not only to all those who have served as a Mundelein Police Officers, but to all those in law-enforcement. Our focus here at Mundelein is our citizens and this statue will be a meaningful symbol and reminder of that commitment to the community," said Eric Guenther, Mundelein Police Chief.

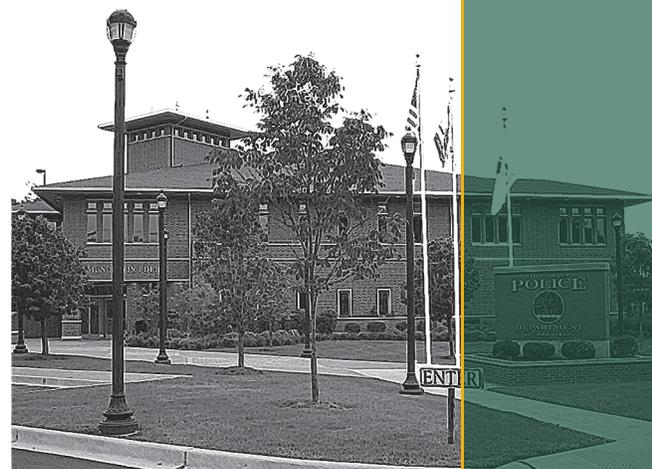

"The Board of Trustees and I fully support the Committee's efforts and look forward to the day that this public art is displayed and visible to all travelers on one of the busiest roads in Mundelein. This is a wonderful tribute to the Mundelein Police Department that has served the community for more than 100 years," remarked Mayor Steve Lentz.

Once funding is in place, The Village of Mundelein will commission Brodin Studios, Inc.—a company owned and operated for over 30 years by retired police officers and firefighters to honor and memorialize their brave comrades in law enforcement, fire/rescue, and the military.

Brodin Studios bronze statues are created using the ancient lost wax process of hot bronze casting. This more than 5000 year old casting method is a lengthy progression of steps that require a great deal of attention. The end result is a finished piece that is unsurpassed in detail, quality, and beauty. Brodin Studios uses the lost wax process over other casting methods because it enables the artists to customize each sculpture down to the last detail including specific uniform style, patches, badges, and more.

"Our statues make a definite statement in the community. We've found that when people see our sculptures for the first time, they interact with them, kids touch the officer's hand, and a man approaching a ground-mounted life-size figure looks eye to eye with him and so the statue has greater impact as compared to viewing it on a base. We usually recommend mounting life-size sculpture at or near ground level for this reason," explains Neil Brodin, Owner, Brodin Studios, Inc.

"I think the proposed statue will be a wonderful addition to the Village of Mundelein and it will be a nice way to honor our police officers. It's important to have something like this in the Village to remind the community that the police department and its officers are protectors and partners with them. This proposed statue will represent who they are and what they do. It will help to break down the barriers of us/ them," said Raymond Rose, Former Mundelein Police Chief for 20 years.

Frequently Asked Questions

What is the Police Statue Fund?

The Village of Mundelein is raising funds for a life-sized bronze statue of a police officer holding the hands of two children. This stunning piece of artwork will serve as a tribute to the men and women of law enforcement who have served the Village for over 100 years. The statue will be placed in front of the Mundelein Police Station facing Route 45 for maximum community exposure.

What is the approximate cost of the statue?

The current estimated cost of the statue is \$45,000. There will be additional installation costs, so the total cost of the project will be approximately \$60,000.

Who is in charge of soliciting donations?

At the July 8, 2013 Village of Mundelein Board Meeting, the Board passed an ordinance establishing the Village of Mundelein Police Statue Planning Committee. Jack Forshaw was named Chairman of the Committee and he will be assisted by six volunteer members. This Committee will personally contact Mundelein business owners to consider supporting this initiative. Mundelein residents will be invited to donate to this cause via other marketing solicitations.

Can businesses and private individuals make a pledge to the Police Statue Fund and then make payments over time?

The Police Statue Fundraising Campaign will take place over the next 12 months. Pledge payments to the fund may be made in increments over this time period to the Mundelein Police Statue Fund.

Is my donation to the Police Statue Fund tax deductible?

Your donation is 100% tax deductible.

When will the police tribute statue be installed?

Provided that funding is in place by December, 2015 the statue will be installed and dedicated in May, 2016

Who has been commissioned to create the police statue?

The Village of Mundelein will commission Brodin Studios, Inc.—a company owned and operated for over 30 years by retired police officers and firefighters to honor and memorialize their brave comrades in law enforcement, fire/rescue, and the military. Brodin Studios bronze statues are created using the ancient lost wax process of hot bronze casting.
