

## JUNIOR POLICE ACADEMY

The Junior Police Academy is offered to all Mundelein area middle school students on weekdays from **June 12 -16, 2017 from 8:00-11:00am**. Officer Rachel Messina who is also the Police Liaison Officer for District 75, including Carl Sandburg Middle School, will run the program.

The Academy is designed to give students the opportunity to experience the daily tasks of a police officer. Students will learn why their educational experience at school is so important as it relates to a career in law enforcement. Subjects such as Mathematics, Science, English and Physical Education are discussed and how they are used in the day-to-day job responsibilities of the police officer. Students should wear gym shoes and workout clothing, as the academy does require some physical fitness. Some interactive learning exercises will consist of: Self-Defense Tactics, Milo Shooting Simulator and Report Writing/Public Speaking. Speakers will also be brought in including a K9 Officer, and a member of NIPAS Mobile Field Force Team.

Certificates of completion will be presented on June 16, 2017 at 10:30am during a graduation ceremony to all students who successfully complete the course.

**This program is free, however space is limited to the first 40 applicants.** You will be contacted to confirm that you are enrolled in the academy and which session you have been assigned. If you need additional information about this exciting program, please contact Officer Messina at (847) 968-3783 or send an email to [rmessina@mundelein.org](mailto:rmessina@mundelein.org).
