Re: Statistical Summary of Police Department Internal Investigations

Pursuant to SOP A-26 titled Complaints Against Employees / Internal Affairs and CALEA Standard 52.1.5, I have prepared a statistical summary regarding internal affairs investigations conducted during the 2019 calendar year. There were no internal affairs investigations conducted in calendar year 2019.

Additionally, this document is made available to the general public via the police department website <http://police.mundelein.org/content/forms-and-reports>. No member of the agency or private citizen asked to review the statistical summary for 2019.
