## CITIZEN POLICE ACADEMY “UNDERSTANDING THROUGH EDUCATION”

We strongly believe that a positive relationship between police and the community is essential to achieve our common goals. The Citizen Police Academy helps build that relationship.

The Citizen Police academy is an ten-week program designed to provide a unique glimpse “behind the badge”. The Mundelein Police Department’s Citizen Police Academy provides an excellent opportunity for citizens, who live and /or work in or near the Village of Mundelein, to become familiar with the day-to-day operations of the Police Department, as well as gain a greater awareness of the daily challenges faced by its officers.

Attendees will learn about departmental resources and programs and, more importantly, the men and women who comprise the Mundelein Police Department. Classes will be a combination of lectures and interactive activities led by many police department divisions, with topics such as special operations, 911 communications, firearm use and safety, crime prevention, crime scene investigations, and self-defense.

Upon successful completion of the Citizens Police Academy, participants attend a graduation ceremony and are awarded a certificate of attendance. The safety and security of our community depends on the active cooperation and participation of all its citizens. It is hoped that graduates of this program will be motivated to continue as active partners and join the Citizen Police Academy Alumni Association to continue their relationship with the Mundelein Police Department.

The program is open to the residents, ages 18 – 55, of the Village of Mundelein and neighboring towns. There is no cost to attend the Citizen Police Academy.

Classes are held for 8 weeks on Tuesday evenings from 7:00 PM to 9:00 PM. Classes are held at Mundelein High School, 1350 West Hawley Street, Mundelein.

**Courage. Pride. Commitment.**
